

An Investment in the Future of:

YOURSELF

YOUR COMPANY

YOUR STATE

Leadership Nebraska focuses on leadership development by advancing candidates' leadership qualities and broadening their understanding of and involvement in issues and opportunities facing our state.

The nine-month program consists of a two-day orientation followed by five, two-day education sessions held across the state and concludes with a graduation celebration.

Tuition for the program is \$2,750 which includes meals and lodging (travel costs to and from class sites are the responsibility of the participant). Partial financial assistance may be available.

Leadership Nebraska

An opportunity for collaboration that spans Nebraska's geography, government and all lines of business and industry.

THE STATE CHAMBERS' 
LEADERSHIP NEBRASKA

The State Chamber's Leadership Nebraska

Leadership Nebraska is designed for current and future Nebraska leaders to learn about the opportunities and challenges that face Nebraska. Through an immersive program, participants get an up-close view of how these issues affect citizens and communities across the state.

Is Leadership Nebraska right for you?

Do you want to be a leader in your organization and community?

Do you want to learn more about your state and how it works?

Do you want to meet and learn from interesting people of varying backgrounds?

Is Leadership Nebraska right for your employees?

Does your company impact our state?

Would your company benefit from employees with well-rounded leadership skills?

Would your company benefit from a network of leaders across the state?

Would your company thrive with a team of engaged employees knowledgeable about the state?

Core program sessions are held in communities across the state in order to expose participants to the different regions of Nebraska and local issues important to those regions. Program participants experience the unique culture of each community, weaving for themselves a broad-based and comprehensive understanding of the challenges facing a state with many cultures and geographic diversity.

Understanding Nebraska

Class members have an opportunity to develop and hone leadership skills and gain a broader understanding of issues facing Nebraska, with a focus on issues in the topical areas of:

- Economic Development
- Workforce Development and Education
- Agriculture/Environment
- Government/Politics
- Health/Human Services

Participants learn about the critical issues in these areas through discussions with top officials of the state, professionals in the areas, field trips and experiential activities. The program cultivates a network of citizens with diverse backgrounds and experiences who represent the many geographic areas of Nebraska.
